

North Middlesex Community Medical Centre

“Working Together Today . . . Building a Healthy Tomorrow

. . . Contributing as You Can”

268 Main Street, Parkhill, ON NOM 2K0

Positions available: Family Physicians - 3

Remuneration: **80/20 OHIP split** (we are not a provincially funded health centre)

Where: North Middlesex Community Medical Centre (NMCMC)
268 Main St., Parkhill, ON NOM 2K0

Hours: flexible, full time preferred but negotiable, immediate start available

NMCMC is a medical facility located in a designated under serviced area and is eligible for the associated UAP benefits. The Centre is a turn-key operation, with management provided by a not-for-profit community group, designated for 5 full time physicians, with the equivalent of 1.5 currently practicing. This busy practice hosts over 8000 active patient files. The Centre is staffed by efficient and caring administrative and nursing professionals.

Our collegial physicians are dedicated and well established. Our lead Physician is Chief of Emergency at Strathroy Middlesex General Hospital in Strathroy, ON, where emergency shifts may be arranged if desired.

All equipment is provided and the various sized, newly renovated examination rooms can be arranged to meet your individual needs. No start-up costs are required. New graduates welcome!

The Town of Parkhill, located in the municipality of North Middlesex, is a friendly community located a quick 30 minute commute northwest of London and 15 minutes from Grand Bend. The area boasts a wide variety of all season recreational activities, is close to the Pinery Provincial Park, and the beaches along the shores of beautiful Lake Huron. A supportive community which cherishes a proud heritage and strong community values, affordable home ownership with picturesque nature in our backyard. A superior lifestyle!
